Description

Let's head to Bonnevoie, one of the most popular of Luxembourg City. This is where Bowie will be built, a residence distinguished by its timeless architecture and natural stone façade.

Spread over 4 floors, its 26 apartments are ideally suited to singles or couples: 22 1-bedroom apartments, 1 2-bedroom apartment and 3 penthouses.

The 2 and 3-bedroom penthouses offer a privileged living space and a unique experience, thanks to their large spaces and panoramic terraces.

Bowie has 14 underground parking spaces, including 3 conventional and 11 motorized via a carlift.
